eXpressive

830 & 830L *Creative Edition*

computerized embroidery machines

With free embroidery software

for PC & Mac

HASSLE-FREE OPERATION

Experience pure embroidery pleasure with the elna eXpressive 830 and 830L. You will and enjoy an array of functions to facilitate your work:

- built-in superior needle threader,
- button-operated automatic thread cutter,
- programmable thread trimming after jump or color change,
- bobbin and upper thread sensors,
- automatic return after a thread break.

FOR DESIGN LOVERS

Because embroidery is at the heart of these models, you will benefit from many tools supporting your creations:

- library of 180 or 160 built-in designs and 3 typefaces for lettering,
- large full-color LCD touch screen,
- extensive editing functions accessible directly on the machine.

As an extra bonus, the eXuberance *Junior* embroidery software is included with the *Creative Editions* and enables you to create or modify your own embroidery designs.

EXTRA-LARGE EMBROIDERY

The eXpressive 830L has been designed for grand embroidery: It includes all what you need to customize large projects and achieve sumptuous results:

- maximum embroidery size for designs up to 200 x 360 mm,
- giant hoop provided as a standard accessory,
- wide extension table.
